To whom it may concern,

Neil Bannet was contracted by Creative Design and Print as a full stack web developer. In our dealings with Neil, we found him very professional.

Neil has excellent communication skills. In addition, he is extremely organized, reliable and computer literate. Neil can work independently and is able to follow through to ensure that the job gets done. He is flexible and willing to work on any project that is assigned to him. We used Neil on more than one occasion and each time he implemented the job as required.

Neil was a great asset to this company and I highly recommend him for employment. Should you require any further information please do not hesitate to contact me.
